**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It's obvious that with all the public land that's used for building telecom networks, those networks should be available for any company to make use of. Any action that further entrenches the already unacceptable amount of gatekeeping power that major telecom companies have is just unconscionable, unless you believe corporate power and your own enrichment are values worth governing on.
